GOLDEN SHARE PROPERTIES

## AFFORDABLE HOUSING GOLDEN SHARE HOMES RAVELRIG HEIGHTS, BALERNO

The 12 semi-detached homes at Ravelrig Heights are 'Golden Share' homes. Golden Share homes have a simple price cap – you own 100% of the property but its price is capped at 80% of the open market value on first sale and all subsequent resales.

This means that you will purchase the home at 80% of the current market value and you would have to sell it at 80% of market value when you come to sell in the future.

### IT IS NOT SHARED EQUITY

No-one owns the other 20% of value – you own 100% of the property yet pay just 80% of the market value.

### TO BE ELIGIBLE TO PURCHASE ONE OF THESE PROPERTIES

You must be a person with a connection with the Lothians either through employment, family or cultural networks, and be able to show evidence that the open market value of the property was not affordable to you (see below for what you would need to provide).

- You must reside in the home as your permanent residency. Letting or sub-letting the property is not permitted.
- The maximum residual savings you have after purchase and furnish of the property should not exceed £16,000.
- Evidence that the home is suitable for your current needs.

It's really straightforward to evidence all of that – you would just need to present a form of ID (a passport for example), a utility bill with your address on it, your last 3 payslips (or income source) and last 3 monthly bank statements. In some cases further information may be required. Evidence of not being able to afford the full market value may be provided in a number of forms, the most common being from a mortgage lender stipulating the maximum borrowing you would be permitted.

If you are interested in these homes, or for further information please contact our Sales Consultant on 01324 442 784.
