

Photograph 5A: Looking south-west from end of Courtenay Road.
Note vegetation on railway line partly concealing views to land adjoining Andover Road; much of land on south side of Barton Farm ridge is visible; trees on Andover Road form backcloth; Barton Farm buildings visible in middle distance.

Photograph B: Looking north-west from end of Courtenay Road.
Note railway embankment and middle distance trees concealing views to west but tree belt on Barton Farm ridge is visible; continuation of dry valley is visible on right of view.
