

Photograph 8: Looking south from Andover Road/ A34 junction.
Note rolling open character of landscape with succession of ridges and valleys leading up to Winchester. Northern part of site is visible to north of Barton Farm ridge, facing viewpoint. Andover Road forms strong defining feature on west side of site.

Photograph 9: Looking south-west from footpath by railway line.
Note tree belt on Barton Farm ridge defining northern edge of landscape unit lying against northern edge of the city. Open landscape character is terminated by trees and residential edge on Andover Road.
