

Photograph 10A: Looking west from footpath by railway line.  
Note comparatively level ground near summit of Barton Farm ridge; Andover Road and Harestock residential area close off views to west. Steeper slopes towards Well House Lane are concealed.

Photograph 10B: Looking north from footpath by railway line.  
Note distant views over open downland landscape beyond Well House Lane (concealed) and vegetation growing along route of railway line, visible on right of view.
