

Photograph 15: Looking north-west from Long Walk, Winnall Down (elevation of viewpoint 84m). Note rising ground and open landscape to east of M3 corridor provides clear view over Itchen valley towards Barton Farm. Shoulder of Mutton Farm on right in middle distance; housing at Abbot's Barton visible in centre of view. Rising ground at Littleton provides backcloth to Barton Farm ridge.

Photograph 16: looking north-west from public footpath on Magdalen Hill Down (elevation of viewpoint 122m). Note open summit of the down provides views over intervening vegetation towards Barton Farm; buildings of Winnall Industrial Estate and houses at Abbots Barton occupy centre section of the view; Harestock residential area and rising ground towards Littleton form backcloth.
