An enviable place to call home

Set in one of West Lothian's fastest developing areas, Winchburgh is becoming a popular choice for anyone seeking the tranquillity of country life, yet with the bright lights of Edinburgh little more than 12 miles away.

In this charming village and neighbouring Linlithgow there's a variety of shops, pubs, restaurants and cafes, with a good selection of schools, a community centre and sports facilities making it the ideal choice for families.

And with the Winchburgh masterplan due to bring a new era to the area, there has never been a better time to buy here.

A new era for Winchburgh

Local photography

The highly anticipated Winchburgh masterplan, one of the largest projects currently underway in the UK, is transforming the area.

Among its many features are the 85-acre Auldcathie Park, including a community growing area, play areas and walking routes. The new marina which connects to the Union Canal, offers opportunities for a host of water sports.

There are new shops and other amenities in the town centre, new schools with state-of-the-art sports facilities and an extra motorway junction, making travel for work and pleasure more straightforward than ever.

Flexible lifestyles, and floorplans too

The variety of homes available means there will be something for everyone here. From 3 bedroom terraced to 5 bedroom detached, Millgate Lawns will cater for buyers of all kinds.

So whether you're looking for your first home, want to upsize to a larger one or need to downsize to somewhere more manageable, finding the right kind of home will be straightforward here.

Flexible floor plans also mean these superb new homes will adapt to your needs as they change.

A new community awaits

You'll find an active and close-knit community ready to welcome you in Winchburgh. From the variety of sports clubs, spanning netball, golf, bowling, football and more, to the dance school, uniformed groups for children, youth and senior clubs, there will be something for everyone here.

Regular events bring the village together, including the spectacular annual children's gala, held every summer and featuring a parade around the village of some 250 youngsters.

Relish the great outdoors

Getting out and about and exploring the great outdoors will be simple here. Not least with the picturesque Auldcathie District Park on your doorstep, stretching 85 acres to the west of the village.

This scenic open green space is currently undergoing a £6 million redevelopment and is set to feature 31,000 newly-planted trees, 2.5km of running, walking and fitness loops, a new biking track and large play areas for all ages.

In the mood for a walk by the water? Enjoy a stroll along one of Winchburgh Marina's canalside paths, also perfect for relaxing bike rides.

Top class schooling

Parents will be pleased to find a good selection of schools nearby. There are two primary schools in the village and now Holy Family primary school has been built on a new campus located next to Auldcathie Park, alongside new high schools, Winchburgh Academy and Sinclair Academy. Set in open green space the campus has excellent sport facilities too.

The world-famous University of Edinburgh along with the city's many other universities are within commutable distance.

*Owning a home in a school's catchment area does not guarantee a place at the school. Please consult the local authority for more details.

Attractions for all ages

For family days out, you'll be spoilt for choice, whether you're getting active with go-karting, indoor climbing, laser tag or water sports, or enjoying the great outdoors at Beecraigs Country Park or Almond Valley. Or if you prefer a more leisurely kind of outing, why not take in the sculptured landscapes and nature-inspired galleries of Jupiter Artland.

There's plenty of history and heritage to take in around Edinburgh and Linlithgow, while the tranquil River Forth is the perfect waterway for a relaxing cruise, seeing the sights and enjoying some fresh sea air.

What our customers say

“We weren’t looking to buy a new house originally but once we booked the appointment and saw it, we knew immediately we wanted it.

We fell in love with the style of the house right away as it ticked all our boxes.

I have my own office where I can work from home and the kids have their own bedrooms which are all the same size so there were no arguments about who gets which room.”

Sustainability the Cala way

Cala has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 50 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to Cala.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.

As part of our sustainability journey we are aiming to reduce our paper usage by 90% across the company, including the customer journey, which is why we are aiming for online-only brochures at our developments.
