# Useful resources

---

To find specific school reports or data, start with the official **GOV.UK** website for performance data and Ofsted's reports page for inspection findings.

**Ofsted** (Office for Standards in Education, Children's Services and Skills):  
The primary body for inspecting and regulating schools in England, publishing inspection reports and ratings on **GOV.UK** and [reports.ofsted.gov.uk/](https://reports.ofsted.gov.uk/)

**GOV.UK** (Get Information about Schools – GIAS):  
A central portal for finding detailed data, performance tables, and basic information on all state-funded schools and colleges in England.

## Education Policy Institute (EPI)

**Research & Policy** (Education Policy Institute EPI):  
Conducts independent research and analysis on UK education, informing policy and holding decision-makers accountable, with data on performance, social mobility, and more on [epi.org.uk/](https://epi.org.uk/)

## Independent Schools

Independent Schools Council (ISC):  
Represents and provides information about independent schools through its member associations, accessible via [isc.co.uk/](https://isc.co.uk/)

Independent Association Of Prep Schools – [iaps.uk/](https://iaps.uk/)

Independent Schools Association – [isaschools.org.uk](https://isaschools.org.uk)
