Here are just some of the many happy comments we've received from CALA homeowners:

"As soon as we saw the plans for Hopefield Grange, we knew it was the right place for us to raise our family. Everything about the development was ideal for what we were looking for, from the close proximity to the local nursery and school to the open green spaces and playing fields. The house itself was perfect, with plenty of room both indoors and out, and a good sized garden for our son to play in."

ALEX AND KATIE JUPP, PURCHASERS AT
HOPEFIELD GRANGE, BENSON

"I think the completion was done in miracle time, everything was overwhelmingly positive and a memorable day as it was around the time of my birthday."

"We had a seamless transition throughout the process, with absolutely no complaints."

"The after purchase service was the most memorable aspect."

HELP TO BUY SCHEME SECURES DREAM HOME FOR FIRST TIME BUYERS MOVING OUT OF LONDON

Matt comments: "We rented a one-bedroom flat in St Johns Wood near Regents Park for six years, as it was ideal for getting into Central London where we both work. I'm 41 years old and Nikki is 35, and we had reached that point where we wanted to buy our own house, get a dog and enjoy everything the countryside had to offer."

Matt, who works in technology, and Nikki, who works for a retailer, used the Government-backed Help to Buy scheme to purchase their dream home at Aspen Park.

Matt continues: "As first-time buyers, we'd done our research into schemes available to help us onto the property ladder and into our perfect home, and the Help to Buy scheme had always been an option for us. The scheme helped us to budget and understand what we could afford, and it seemed like a no-brainer to take advantage of it. Thanks to the scheme, we've been able to purchase a four-bedroom semi-detached home, offering plenty of space for myself, Nikki and our Labrador, Monty, but also allowing us space to grow."

MATT EVANS AND NIKKI PRICE, PURCHASERS AT ASPEN PARK, HADDENHAM

Andy said: "We were amazed by the spaciousness of the rooms, and the garden was a great size for a new build. We feel really lucky to have found such a lovely house, in a beautiful location, at a cost we could afford."

Carolyn said: "Location was really important to us and we really love the area, so it's great we didn't have to move too far in order to find our dream home. We enjoy shopping, sports, going out for meals, seeing our family and local friends and, most importantly, walking our Irish Setter, Rudi, in the beautiful green open fields in the village."

ALL ON YOUR DOORSTEP

Quintessentially English and rich in heritage, the centre of Wantage is a vibrant hub for visitors, shoppers and businesses alike. An eclectic mix of independent boutiques and high street names sit alongside welcoming places to relax, keep fit and get together with family or friends.

FLOWERS BY KIRSTY

Having had an unyielding love for flowers since childhood, Abingdon-born Kirsty Grieve relinquished her radio career in 2012 to embark on a new venture in floristry. She launched Flowers by Kirsty from the kitchen table in 2013 and is now the proud owner of a beautiful floral workshop, originally the village dairy, in Ardington, one of Wantage's many delightful neighbouring civil parishes.

Kirsty caters for a range of events and prepares bespoke bouquets but is predominantly a wedding florist. For her, there is nothing better than delivering all the carefully prepared floral displays on a wedding morning, and personally hand-delivering the bouquet to the bride.

In the workshop full-time alongside Kirsty is her sister, Rebecca Priestley, who she whimsically claims brings the brains to the business. Having Rebecca on board allows Kirsty the time and creative freedom to lovingly prepare her exquisite flower arrangements, as well as focus her attentions on client care. Also in the workshop now and then is Kirsty's baby girl, Edie, who enjoys the sensory experience that the flowers provide – so it truly is a family operation!

"Since launching the business, we have gone from strength to strength – purely through word of mouth. Anyone who comes is instantly in love with it, and we often welcome passing dog walkers and local groups who simply drop in for a chat! That's the beauty of Wantage – the pretty countryside invites people to get out and explore, and instils a sense of community."

KIRSTY GRIEVE, OWNER OF FLOWERS BY KIRSTY

THE KINGS ARMS

The Kings Arms on Wallingford Street is a quality drinks-led public house which specialises in real ale and gin. Dubbed by its owners as a traditional pub with a modern twist, the listed building, with its inviting historic frontage and gold leaf signage, is complemented by a fully refurbished interior. Low lighting, polished wooden floors and panelling, along with an expansive garden, provide a relaxed and welcoming space for locals and visitors alike.

Family-based Oxfordshire business, Oak Taverns, took over the pub in summer 2018. With manager Stuart Fanson at the helm, they have introduced a weekly quiz and a Gin Club, and warmly welcome any local groups that wish to use the pub as a meeting place.

Listed in the Good Beer Guide, the team at the Kings Arms prides itself in its superior range of cask ales from nearby micro brewers as well as niche nationals, and taps into the best that the local breweries have to offer with its rotating craft beer option. An extensive selection of gins line the bar, some of which Oak Taverns have produced themselves featuring enticing flavours of plum, raspberry and thyme.

“Wantage is a charming place that has really embraced the new look and feel of this historic pub. We are one of three drinking outlets within a stone’s throw of each other, and there is a true sense of camaraderie amongst our fellow publicans.”

SIMON COLLINSON, MD OF OAK TAVERNS

PETER CASEY JEWELLERY

Having a passion for the jewellery trade, which was born from a Saturday job amidst London's jewellery trade, Peter Casey branched out on his own in the early 1980s and opened his first store in Wantage. Following a successful launch, Peter's jewellery business became a truly family-run operation when he was soon joined by wife, Donna, and son, Stephen.

Today, the Casey family operates from two outlets within Wantage. Drawing on traditional values of personal service and attention to detail, they are highly-reputed locally for their friendly and courteous approach, as well as their superior craftsmanship when undertaking repairs, alternations and jewellery restorations. Helping customers make inspired choices for some of their most important life purchases, Peter Casey Jewellery is able to create beautiful CAD designs so customers are able to view images of their new individual piece of jewellery before it is even made.

"Wantage is a lovely place to own a business and we have such a close-knit community here. It gives us great joy each and every time we are approached for a Wantage wedding, christening or anniversary, as we can help make these very personal life events even more special."

PETER CASEY, OWNER OF PETER CASEY JEWELLERY

THE REGENT FURNITURE AND BOOK SHOP

Starting from rather humble beginnings, The Regent was a second-hand furniture store opened by Sue and Phil with their daughter, Linda, over 25 years ago. Despite having insufficient funds to make their next big step to a bespoke furniture shop, they approached a furniture seller in the 1980s with the offer to promote and sell their products in Wantage. Fast forward to 2019, and the store is able to offer truly bespoke pine pieces, custom-made to clients' unique requirements.

Joined more recently by Linda's partner Phil, The Regent comprises two adjoining stores, featuring a book shop alongside a furniture and gift outlet. From what started as a few books on a shelf, there are now over 100,000 books at The Regent, making it one of the largest collections of rare and second-hand books south of Hay-on-Wye. The shop is known worldwide, and people flock from all around the globe in pursuit of a particular literary item. The business also offers a free house clearance service for those who have a volume of books in need of a loving new home.

Alongside bespoke furniture and handmade rugs, The Regent is the perfect place to buy a birthday gift, and features a number of labels including Sophie Allport, Wrendale and Tilnar Art.

"As a business, we serve the Wantage community as much as they serve us. We rely heavily on the kind donations from local residents, whether it's the odd book from a passer-by or an entire collection from a full house clearance. We have also gone from solely selling second-hand furniture to now being able to offer people a truly custom-made piece, completely individual to them."

LINDA MASON, OWNER OF THE REGENT FURNITURE
AND BOOK SHOP

OUR PEOPLE

POSITIVE
LEGACY

CALA builds aspirational homes in desirable areas across the South East of England, the Midlands and Scotland. Properties range from starter homes to spacious family properties and we also work with local authorities and registered social landlords to provide much-needed affordable housing.

Building a strong, sustainable business that provides opportunities for our people and a positive legacy for future generations will remain at the heart of the CALA way.

SUSTAINABILITY THE CALA WAY

CALA has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 40 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to CALA.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.

LAND

Buying the right sites in sustainable locations that meet the needs of homeowners and are part of local communities.

COMMUNITY CONSULTATION

A collaborative approach to ensure the right design solution for the local area and valuable investment in affordable housing, local facilities and infrastructure.

ENVIRONMENT

A respectful approach to development, minimising the impact on natural resources and biodiversity and creating energy efficient homes.

DESIGN

Homes that meet the needs of customers and future generations and take inspiration from the local vernacular to enhance the areas in which we build.

PEOPLE

Creating an empowering and inclusive culture that puts the wellbeing of our people, partners, customers and local communities at the heart of our business.

CUSTOMERS

Delivering a first class customer experience from the first enquiry through to after-sales support.
