YOUR OUT-OF-CITY SANCTUARY

Take just a short stroll from The Crest at Beatrice Meadows to find yourself in the very heart of Kirkintilloch, recently voted one of the most desirable places to live in the UK*. Originally a fortified Roman settlement, this semi-rural town now attracts a varied mix of young professionals, growing families and downsizers looking to find a more balanced pace of life.

Known as the Canal Capital of Scotland, experience living history for yourself with a barge trip along the historical Forth and Clyde Canal, or take a leisurely cycle or stroll along its adjoining tow path.

From bars and restaurants to shopping and sports centres, parks and woodland walks to golf courses, the town has a generous array of amenities just minutes from home. Lenzie also benefits from a wide choice of primary schools and for older pupils, Lenzie Academy** is one of the top performing schools in the region.
