## SERVICE WITH A WIDE RANGE OF SMILES

Premier quality homes deserve a customer service to match. CALA is committed to making your journey to a whole new lifestyle as enjoyable as the destination itself. Supporting you every step of the way, we work hard to ensure a straightforward and smooth-running move. From initial enquiry through to handing over the keys and beyond, we'll help your dream home come true.

Here are just some of the many happy comments we've received from CALA homeowners:

"It was two days before our wedding and I was in the salon having my nails done and David called me and said – you'd better come down to Brookwood and see this house. We looked at The Cotterdale property on Friday, bought it on Saturday morning and then got married on Sunday! Now we're expecting our first baby! The house is great – good quality, as you would expect from CALA, and the aftercare team are fantastic. We're really happy here."

LUCY & DAVID HARPER, PURCHASERS AT BROOKWOOD FARM

"We were impressed by the variety of properties on offer and decided to purchase a stunning five-bedroom townhouse, which boasts plenty of space for all our needs. I wouldn't hesitate to recommend a CALA home to my friends and family, the design of our property has been really well thought-out and the quality of the finish is the best I have seen on a new build house, having lived in two previous new builds by different developers."

JENNIFER & TOM BOSSON, PURCHASERS AT VIRGINIA GATE

## FIRST HOME, FIRST RESIDENTS

First time buyers Darren and Rhiannon were the first to reserve their new two bedroom home at Kings Barton in Winchester. CALA invited the couple to have a commemorative date plaque added to mark the occasion.

Darren said: "This is our first home together and it's been very exciting to be able to watch the whole building process right from the beginning. Adding the date brick was a fabulous touch, it feels like we're making our own little mark on the history of Winchester.

I was already aware of CALA Homes because of a development I'd seen in Scotland. I was really impressed with the design and quality of the homes there, so when we saw that they were building in Winchester it seemed too good an opportunity to miss.

We went along to the launch weekend and reserved our new home pretty much straight away. The sales team have been brilliant. As first time buyers we didn't really know what to expect but they have been extremely helpful and the whole process has gone very smoothly so far."

**DARREN WRIGHT & RHIANNON KERRIDGE-JOHNS, PURCHASERS AT KINGS BARTON**

"We were keen to find our new family home before our daughter was born. We had looked at other new build developments in the area but the homes at Imber Riverside were head and shoulders above the rest. The property is ideal for our needs as a family and gives us plenty of space to grow. We have already become good friends with another couple at Imber Riverside who have also recently had a child. It's been really nice to feel like part of a new community.

The sales team have been brilliant. They were really knowledgeable and after talking through the available options, we knew the ease and convenience of Part Exchange was perfect for us."

# ALDERSHOT

## MUCH SOUGHT-AFTER AND MUCH TO DO

Once the centre for all British Military operations, the bustling, characterful town of Aldershot benefits from many historic monuments and buildings, such as the Wellington Statue and Cambridge Military Hospital, which now fronts onto CALA at Wellesley. Farnborough Airfield is also just to the north and hosts the International Air Show.

Aldershot is home to a colourful choice of high street shops, cafés, bars, restaurants and other amenities, as well as a 7-screen cinema at Westgate Retail & Leisure Park and well-equipped gym at Wellington Shopping Centre. While the nearby towns of Camberley, Farnborough and Farnham provide further shopping, dining and entertaining delights.

Here, you can enjoy being part of an active, outgoing community, with plenty of sports clubs, parks and golf courses to choose from. Aldershot's excellent range of sporting facilities and recreational spaces include a tennis centre, swimming pool and lido, Alpine Snowsports Centre and Queen's Parade, a large expanse of parkland.

Plus, you can escape to the natural beauty of the Surrey Hills and South Downs National Park, which are both on Aldershot's doorstep.

A high standard of education is provided too, by a range of 'Good' and 'Outstanding' institutions like Talavera Infant & Junior School, The Wavell School and Alderwood School.

## ALL THE RIGHT CONNECTIONS

Thanks to its convenient location, Aldershot is a haven for commuters to London and throughout the region, where many blue chip companies have UK headquarters.

The employment hubs of Guildford, Farnham, Woking and Basingstoke are only a short drive away, together with direct routes to London, Southampton and Portsmouth via the A3, A31, M3 and M25. There's also a regular bus service into Guildford town centre, which is about 10 miles from Aldershot.

Aldershot train station is just half a mile from CALA at Wellesley, offering frequent services to Guildford in approximately 17 minutes, Reading in 50 minutes, Basingstoke in 45 minutes and London Waterloo in around 47 minutes.

International travel is also well taken care of, with London Heathrow Airport situated 23 miles from home.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.
