Well-connected in every way

West Craigs is ideal for the busy modern lifestyle. Edinburgh Gateway is on your doorstep, for travel by train and tram and you're handily placed for the motorway network and airport too. It's just six miles from the city centre, with regular bus and tram services, and just down the road The Gyle is great for retail therapy from supermarkets to specialist shops, food and drinks and family events and entertainments. You're well connected to the countryside too, with dedicated cycle routes feeding into Edinburgh's Green Corridor.

A welcoming community for you and your family

With two new 5 acre parks and play areas to go along with established and new wooded areas, plus a new primary school, West Craigs is designed to develop into a welcoming community.

When you fancy a bit of exercise, you'll be handily placed for a network of running and walking trails: and when you're looking for entertainment you can go local or pop into the city. How perfect is that!

Fun days out for all the family

Strolling in open green spaces at the neighbouring Cammo Estate or cycling or walking along lovely Cramond Beach for a coffee and an ice cream... trekking or picnicking in the stunning Pentland Hills Regional Park... visiting Edinburgh Zoo or taking in panoramic views from Arthurs Seat... exploring history and the arts at family friendly museums, galleries and theatres. You're never short of choice for a great day out, come rain or shine.

Looking to the future

Maybury Primary School opened in August 2024 and has capacity for 630 primary pupils and 124 nursery children. Its clever contemporary design incorporates outdoor and indoor learning spaces to make it a stimulating and inspirational place to learn. It will provide a gateway to secondary level at nearby Craigmount High School* too – and Edinburgh offers extensive options for further education, including the highly acclaimed Herriot Watt and Edinburgh Universities.

*Owning a home at West Craigs does not guarantee a place at Craigmount High School. Please consult the local authority for further details.

Edinburgh The City is calling

With its spectacular skyline, cobbled streets and atmosphere rich in history and culture, Edinburgh is a delight, whether you're travelling for work or pleasure. Enjoy award-winning cuisine in one of the many pubs or restaurants, take in the city's fascinating heritage at one the historical sites or museums, or indulge in some designer shopping. This is one city where you'll never be left wanting.

What our customers say

Photography of the show apartment at Cammo Meadows

“ Purchasing my first home was made really simple by all the staff at Cala who just made the whole process of buying the property really easy.

It's been a really pleasant surprise. The property is a lot lighter, brighter and bigger

than I thought it was going to be and the quality of the finishing and furnishings has been really impressive. ”

Sustainability the Cala way

Cala has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 50 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to Cala.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.

As part of our sustainability journey we are aiming to reduce our paper usage by 90% across the company, including the customer journey, which is why we are aiming for online only brochures at our developments.
